Augustine

Aryaman

Ivan

Mariana

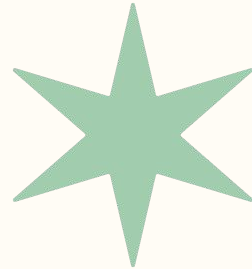

in total, **22 amazing executives**
help us serve the queens design community

Our Mission

we set out to grow the design community by bringing together talented designers across all of our faculties.

Our mission is to **grow, empower, and lead**
the design community at Queens, in
Kingston, and beyond.

What We Do

Teach

- Monthly events & workshops
- Designathon

Share

- UX news
- Weekly tips & tricks

Grow

- Gain industry connections
- Collaborating with other universities

Current Audience

figma workshop event - april 2025

We target creatives who are unaware what UX design is,
and we **explore and grow their potential**

Currently, the majority of students we reach have a
background in **computer science, art, and commerce**

Future Audience

Vision

reach and impact design students
from **all over canada**

Plan

to reach this vision, we must first reach
creatives and researchers **from all of our
faculties**, and in Kingston.

Metrics

2,500 followers by 2027

100+ event attendance

200+ designathon attendance

How You Help

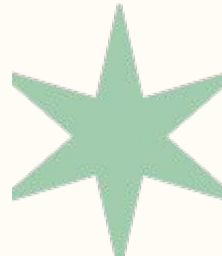

Student growth

You will directly help our students **grow and learn about the world of UX**. Without your help, students will not reach their full potential.

Facilitate

With your support, you allow us to run workshops and **connect industry speakers with students**.

Why Partner With Us?

Company Engagement

You will have access to the brightest minds in the Queens UX community, and will capitalize on their talent early on.

Not Just a Club

Just as UX is not just about design, we are not just a club; we are shaping the future of UX.

Perks

- Access to high-potential students
- Company exposure and growth
- Commitment to innovation
- Company-aligned training

What We Have Coming...

Social Media

weekly tips and tricks, qux news, career and portfolio event updates. all aimed at **community growth**

Designathon

in **November 2026**, our school wide designathon will take place, bringing together the brightest minds from our community

Club Fair

during **frosh week**, we will have a booth set-up to sell our stickers and to expose first years to our club.

Events

we will hold monthly events starting in **September 2026**. events will consist of speakers, workshops, and Q&A sessions.

Expand Team

this year, we aim to expand our club so we can grow the ui/ux community at Queen's and accomplish much more in the years to come.
